There will be upon the stage two glass wheels, the contents of which can be see

There will be upon the stage two glass wheels, the contents of which can be seen by all the spectators. A committee of two citizens, in no way connected with the management, and of undoubted integrity, having first counted and examined, will place one to 12,600, corresponding to all the tickets sold. A similar committee, having first counted and examined, will place in the special place in the smaller wheel. Both wheels will then be turned until their contents are placed in the smaller wheel. Both wheels will then be turned until their contents are thoroughly mixed. A boy under fifteen years, blindfolded, will then draw from the larger wheel one of the 12,600 tickets, and holding it up in full view of the special tors and auditors, its number will be called by the crier appointed for this purpose, so to a register, who will file it, and record it upon a book prepared for the purpose. A to a register, which will be opened and help up to the view of the special respective, which will be opened and help up to the view of the special respective, which will be opened and help up to the view of the special respective, which will be opened and help up to the view of the special respective, which will be opened and help up to the view of the special respective, which will be opened and help up to the view of the special respective, which will be opened in the register to file and record. The prove thus drawn after inspection, will give to another register to file and record. The prove thus drawn will be opened will be recorded to the continue of the first bearing the number drawn immediately before it. Thus the provess will continue drawing first from the large wheele may be a first include the recorded to the continue of the first bearing the number drawn immediately before it. Thus the provess will continue drawing first from the large wheele may be a first in the recorded to the continue of the large wheele and a first in the recorded to the continue of the large wheele and a first in the recorded to the continue of

disinterested chizens officiating.

The prizes below Three Hundred Dollars in value are. Approximations, which determined and paid as follows: The numbers of all the tickess of distinguished and paid as follows: The numbers of all the tickess of distinguished and paid as follows: The numbers of all the tickess of distinguished and paid as follows: The numbers of all the tickess of distinguished and acrele, numerically formed, and having the bighest number, 12,600 in a circle, numerically formed, and having the bighest number, 12,600 in lowest, 1, brought topether, then whatever number in this circle may be used to the capital formed and side of which the next Three Hundred numbers in numerical circle is counted for the ten dollar prizes, thus making on the two sides of the Capital distribution nearest numbers, each of which will be entitled to a field Estate Prizes. The dollar all the tickets drawing larger prizes will be excluded, and the circle extension.

offers. All the tickets drawing larger prizes will be excluded, and the circle extends include Six Bundred on both sides of the Capital, being Three Hundred on care ids, it being the purpose of the management not to purplicate prizes.

Money.—All money received from sales of Tickets will be deposited in Transfer of Titles.-Within tendays ofter the drawing, parties putting The market under this Scheme, are required to make glood, valid and the Proprieter.
